Contestations of the Liberal Script

CLUSTER OF EXCELLENCE “CONTESTATIONS OF THE LIBERAL SCRIPT (SCRIPTS)”

SCRIPTS analyzes the contemporary controversies about liberal order from a historical, global, and comparative perspective. It connects academic expertise in the social sciences and area studies, collaborates with research institutions in all world regions, and maintains cooperative ties with major political, cultural, and social institutions. Operating since 2019 and funded by the German Research Foundation (DFG), the SCRIPTS Cluster of Excellence unites eight major Berlin-based research institutions: Freie Universität Berlin, the Humboldt-Universität zu Berlin, the Berlin Social Science Center (WZB), as well as the Hertie School, the German Institute for Economic Research (DIW), the Berlin branch of the German Institute of Global and Area Studies (GIGA), the Centre for East European and International Studies (ZOiS), and the Leibniz-Zentrum Moderner Orient (ZMO).

SCRIPTS WORKING PAPER SERIES

The SCRIPTS Working Paper Series serves to disseminate the research results of work in progress prior to publication to encourage the exchange of ideas, enrich the discussion and generate further feedback. All SCRIPTS Working Papers are available on the SCRIPTS website at www.scripts-berlin.eu and can be ordered in print via email to office@scripts-berlin.eu.

Series-Editing and Production: Dr. Anke Draude, Mia Begović, and Isabela De Sá Galvão

AUTHOR

Ettore Recchi is professor of sociology at Sciences Po Paris, Centre for Research on Social Inequalities (CRIS). He is also part-time professor of the Migration Policy Centre (MPC) of the European University Institute (EUI) in Florence and Fellow of the Institut Convergences Migrations (Paris). He has published more than 150 journal articles, book chapters, edited volumes, and monographs. Currently, he directs the Global Mobilities Project at EUI, a research program that aims to collect and analyse global data on human transnational movements, and is a partner of Mig mobs (directed by Adrian Favell), an ERC project studying the relationships between human mobility and inequality. In 2024, he was an IRC visiting fellow at the SCRIPTS Cluster of Excellence.
